Basic Building Rules of Normandy G Condo Assoc

Our building follows the rules appearing in our Declaration of Condominium and our By-Laws, as well as the Florida Condominium Act. Up to date copies of these documents can be found through our website.

VISIT OUR OWNERS WEBSITE: <http://normandygassoc.weebly.com/> Here are some of the more common issues:

1. All requests for unit sales/leases must be presented to our current management company in writing. The request will be presented to the Board of Normandy G for review and approval. The approval will follow the guidelines set out in our Declaration of Condominium. A resident is somebody inhabiting a unit for more than 1 month and, if no owner is present, is considered a tenant (NEEDING BOARD AUTHORIZATION). Inhabited units must have at least one resident 55 years or older.
2. Our policy is strictly "NO PETS", compliant with Federal and State laws. All requests for Service Animals/Emotional Support Animals must be presented to our current management company in writing. The request will be presented to the Board of Normandy G for review and approval. All Condo rules regarding Service Animals/Emotional Support Animals must be followed. Special care should be made as to where the animal is walked, cleaned up after, and the animal must be leashed. A complete set of Dog Walking Rules are available on our webpage or on request. All nuisances must be avoided.
3. Any approvals of visitors/family members staying with the owner or permanent resident for more than one week and up to one month are automatic, provided the owner signs this rule page and notifies the board in writing. It's the owner/permanent resident's responsibility to make sure these rules are followed. The notification should include the unit #, the names of the people staying, and the dates. The notification can be emailed to normandygassoc@gmail.com. **For visits any longer than one month**, application must be presented in writing to our current management company, and may require a background check. The request will be presented to the Board of Normandy G for review and approval. Please see our Building Rules web page for Unit Owner children visiting without the unit owner present. Family and friends are welcome, but please remember that all article and by-law requirements must be followed during their stay.
4. All garbage must be placed in the large dumpsters that are at each end of the building. We also have recyclable containers in each area for paper and glass or plastic bottles. Please remember to break down your boxes so that other residents have room to place their garbage in the containers.
5. **LARGE DEBRIS** must be placed out on **MONDAY NIGHTS ONLY** and placed on the roadside area of the dumpster. This is so the truck that comes on Tuesday **ONLY** can see the debris and get workable access to pick it up.

PLEASE REMEMBER: Unit owners have the right to modify the inside of their apartments (from paint to paint). All else is probably a material alteration to the common element, and requires approvals. All renovations must conform to State and Local building codes. The board must be notified prior to any renovation. Contractors must remove their debris and not leave it in or at our container area. The owner may be charged for any extra pick up charges given to the building. All contractors and delivery men are strictly forbidden to use the lift/elevator.
6. Owners are required to provide working keys to Normandy G for routine and emergency maintenance (where access is needed to avoid damage to other units). Additionally, the access may be used for emergency unit access by the Police, Fire Dept. or Ambulance. We strongly recommend you leave an extra key with a neighbor or install a lockbox at your door for any other purposes.
7. No items may be placed on the walkways or staircases. This includes door mats, holiday decorations, bikes, walkers, etc. This could cause a trip/fall situation for our neighbors.
- 8." Backed in Parking" and motorcycles/scooters are allowed in our parking lot, along with passenger cars (including mini-vans). No commercial vehicles, RV's or vans should be left overnight on our property
9. The lift/elevator is designed for the use of no more than 2 persons, with a total weight of no more than 650 lbs. Excessive weight can result in costly repairs, which may be passed along to the unit owner along with a fine.
10. Lawns are available for resident use from dawn until dusk. No pets are allowed on the lawns except as covered by S/ES rules. No personal property can be left on the common elements overnight without prior approval of the Board of Directors.
11. All inquiries regarding the above rules should be mailed or emailed to our current management company:
