## Using the New Dumpster Enclosures

There is an opening on the side of the enclosures that you can walk through to get to the dumpster and recycling bins. Please **do not try to open the front gates** to deposit trash.

Please **do not place anything in front of the enclosure gates**, as it will result in the trash not being picked up.

Please place any bulk trash items on the side of the enclosure Monday evening after 5PM for pick-up on Tuesday.

Only your bulk items are allowed to be placed for pickup. It has always been a rule that **Contractors cannot dump here**, if working on your unit. They must cart away their trash. Unit owners allowing contractors to dump trash will be fined. That means no toilets, sinks, etc.!

Rules may not have been enforced in the past, but that is **no longer the case.**

Cameras are being installed at both enclosure sites, so these rules are now enforceable!

We are working very hard to beautify our Building & Grounds, and investing our financial resources to create as pleasing an environment as possible.

Please work with us, and follow these rules.  
**Thank you for your cooperation.**
