The enhanced access control system is ready to launch and will be linked to the Kings Point ID system so that you can start developing your list of friends and family for your Permanent/ Temporary/ Vendor gate access.

- 1. Every resident that has a Community ID are already in the ID system. Those of you that have purchased theater tickets using the internet have already activated their accounts.
- 2. For each resident, there will only be ONE account. It will allow you to maintain a Permanent/ Temporary/Vendor Guest list, purchase tickets to our theater and register for "T Times" at the golf course. It will also link purchased theater tickets into the data base so that security will know who is on our property. Remember – persons who do not have ID cards will not be able to activate an account.
- 3. Activate your account by going to the kingspointdelray.com website.
 - a. On the "Home Page" click on the "Gate Access/Visitor Management" link in order to sign in or create an account.
 - b. Click on "Create Account" and a new screen will appear. The badge number and name you fill in must match the name as it appears on your ID. When creating your account you select a user name and the password. Note the password restrictions listed at the bottom of the page. Make sure that you keep your user name and password in a safe place, as you will need it every time you access your account. When completed, click on "Create User" at the bottom of the page. You have now completed your part of the activation process.
 - c. You will be notified when your account has been activated (within 72 hours).
- 4. If two persons living in a unit have different last names, it is advisable for each to activate his/her own account. The two accounts will be linked by unit address so that when purchasing tickets during the restricted period, a unit can still only purchase two tickets.

 - a. Click on "Sign In" and enter your user name and password.
 - b. Click on "Sign Me In" and fill in the data requested. Permanent Visitors do not need a visit date.

 Temporary Visitors will need to fill in the dates for each visitor. Names on the "Temporary" list are automatically deleted at the end of their authorized access time.
 - c. The "Permanent" list will be updated on an annual basis.
 - d. Vendors that issue their employees identification cards, i.e. the Post Office and FedEx do not need to be added to your list.
- 6. Do not have a computer? Call the Staff Office at 561-499-3335/561-499-7751 Ext. 225 for an appointment. The Staff will help you activate your account and enter the data.
- Target date to activate the system at the Normandy Gate is on Monday, May 4th. Once the system is running smoothly at the Normandy Gate, the other manned gates at Kings Point will be implemented.

Like any new major change, this will require your patience as it is a massive programming effort with links to several existing systems. However, you can help in the implementation if you are a resident by obtaining your Kings Point ID. All Residents and Lessees with a vehicle should purchase a barcode for easy access thru the gates.
